9877 536 047 | www.itopper.academy

20 DAYS PROGRAM

(Mains Oriented : Ethics & Essay)

iTopper[™]
— BE A TOPPER! —

- Assignment during classes
- Detailed evaluation
- Case studies discussion
- One-to-one mentorship
- Topper interaction
- Test Series / PYQ's

ESSAY FOUNDATION

iTopper Essay Course By Mr. Amit Kumar (*Ex-Civil Servant*)

Course Objective

Our meticulously designed Essay Course aims to:

- Enhance competency across diverse important themes
- Strengthen understanding through well-structured handouts
- Improve writing skills (language, grammar, and flow)
- Provide structured evaluation through a test series

Why Essay Paper Matters?

- **250 marks** (equal to GS / Optional)
- **High-scoring paper** (150+ achievable)
- First paper in Mains – sets the momentum
- Low input, high output subject
- Game-changer in final selection

Common Mistakes by Aspirants

- Lack of focused essay preparation
- Repetitive content with poor depth
- No distinction between GS answers and essays
- Lack of writing practice
- No proper evaluation and feedback

How to Score High in Essay?

- Correct interpretation of the topic
- Develop multi-dimensional content
- Build a unique essay writing style
- Practice regularly on exam relevant topics
- Get proper evaluation & feedback

What you will learn -

Through this course, you will -

- Organize and present ideas clearly
- Develop critical thinking & analysis
- Use diverse examples & perspectives
- Write structured, impactful essays

Ethics – Foundation (Recommended by Toppers)

Objectives:

- To create understanding like building values in your mind
- To start thinking from an ethics perspective and improve right & wrong ability

Focus on Applied Ethics:

- Extra attention on applied ethics – moral theories and principles in real-world context, determining how individuals and society act

Focus on specific problems such as:

- Dilemmas
- Decision making
- Bridging the gap between theoretical philosophy and practical decision making

Course Objectives:

- Develop clear understanding of core ethical concepts
- Build strong ethical reasoning & analytical ability
- Learn structured answer-writing techniques
- Case study solving approach (real-based)
- Interlink current affairs with ethical dimensions

Why should you join us?

- Classes conducted by UPSC Topper(s); previous toppers mentored under Amit Sir
- After class – one-on-one meeting with Sir
- High quality content
- PYQs & case study discussion during classes
- Test series practice
